## PARISH PONDERINGS

**I hope your summer was awesome and the rest and reset hasn't worn off yet.**

My summer was AWESOME. That's not a word I use lightly or often. I wish you could see the photo below in colour because this was the biggest camp bonfire with singing under bright stars, I've ever been at. Summer was AWESOME because of what God did in the lives of children and teenagers across the country this holiday. Each year through Scripture Union holiday camps and CPAS Venture and Falcon holiday camps thousands of children, teenagers and young adults have the time of their lives for a week doing every outdoor activity under the sun, making new friends, playing games of all kinds, and eating great food in amazing locations. These camps take place with the help of an army of volunteers who pay to staff the holidays so the campers have the best time ever. The campers come from everywhere and every background. Within these environments friends and memories are made for lifetimes.

I had the privilege of being on the cooking team for a camp for 15–17-year-olds. They were immense fun. Truly. A really lovely group of teenagers. The distinct but low-key Christian atmosphere provided the time and space for them to recreate, recharge and bond in a glorious forest while also learning a bit about Jesus.

You might ask, did they really want to know about Jesus? Yes. There is a hunger to know God and ask spiritual questions in safe spaces when given the opportunity. Children and teenagers are no exception. That's why it's a privilege for people from churches everywhere to volunteer at holiday camps. A testimony of the fun everyone has had is the 'post camp blues.' After sad goodbyes with promises of being back next year, they miss each other terribly and can't wait for next year to be here. If holiday camps are something you'd be interested in for your child or children, check out [www.ventures.org.uk/find-a-holiday](http://www.ventures.org.uk/find-a-holiday) or <https://content.scriptureunion.org.uk/holidays-events>. Full and partial grants are available.

**All Saints' Market**

**5th August and 2nd September**

Both our summer markets were extremely well-supported. Both Saturdays the weather started wet and cold which encouraged a huge number of people to come and join us within the warm welcome at All Saints' Church. As usual, the home baking stall on both occasions was well stocked and supported resulting in significant contributions to the final total. In August Brenda's Craft Stall, local honey and plants swelled the total; in September we welcomed Kim Hacker with her home-made pottery and soft toys, as well as more honey and more plants! In total, the sums raised amounted to £574.40 in August and £485.65 in September. A very welcome addition to the All Saints' General Fund. Grateful thanks go to the many people involved in helping to bake, set up, attend and sell on these occasions. You are an invaluable part of every event.

**Concerts at All Saints'**

**A good audience were entertained to an outstanding concert by young tenor, Gregory Steward, on a glorious evening, Saturday, 29th July.**

Gregory studied initially at Wells Cathedral Choir School and subsequently achieved a First Class degree at the Royal Welsh College of Music and Drama in 2022. He lives near Street and is now embarking on a career as a professional singer.

He entertained us with an eclectic mix of classics and songs from musical shows, culminating in "O Sole Mio" and an encore of "Nessum Dorma". The audience were enchanted and comments overheard afterwards included "I never cry, but I did this evening" and "the best £12 I have spent in years". Gregory said that he had never signed so many autographs. All agreed that this is a young man with a very bright future. We hope to engage him again in 2024.

Looking ahead, we plan for a concert by "Called to be Saints" on Saturday, 28th October, at 4.00pm. We had a taste of what they can do on a Saturday morning last year, which those attending found well worth a proper concert. "Called to be Saints", based in Nailsea, recreate so-called "West Gallery Music", that is church music performed after the Restoration of 1660, until the introduction of church organs in the early 19th century. These choirs, with orchestral backing, performed from elevated galleries at the West end of churches, the far end from the altar, hence the name. Called to be Saints' orchestra supports the choir and performs with instruments of the era. Very few West galleries survive, the nearest being at Cameley. All Saints' once had its own West gallery, the slots where the supporting beams sat can still be seen. Save the date!

**All Saints' Market**

**Saturday 7th October  
10 - 11:30**

- Home Baking
- Local Honey • Plants

## St Mary's Summer Sunday Teas

A huge thank you to everyone who helped with our teas this year. In spite of several very wet weekends and not a brilliant summer I am delighted to say we raised just under £2,500 for our Church funds. This is an amazing result and special thanks must go to Lorna Howarth for making and selling her delicious jams, marmalades and chutney every week raising £172 of our total.

Thank you to all the lovely people who so generously gave their time to bake, serve and wash up. Particular thanks too to those who kindly stepped in at the last minute when needed. We will miss our teas and get together every Sunday but a wonderful result so thank you all.

## What an opportunity!

This week I was on a Zoom chat with some of our chaplains around the diocese. I meet regularly with eight or nine of them alongside our Chaplaincy Development Adviser Mike Haslam. These are only a few of the more than 300 chaplains we have, of all ages, lay and ordained, across Bath and Wells.

There are more and more enquiries about chaplaincy from a wide range of communities. They are seeking a chaplain to offer pastoral care and well-being support for an increasingly stressed and anxious workforce. One particular enquiry caught my attention this week.

A local Further Education college has been saying that their first concern is for a chaplain to address the spiritual exploration of its students. What an opportunity! We know from the Talking Jesus research (2015 and 2022) that most practising Christians come to faith before the age of 18. Several of our schools, including primary, have pupil chaplains now and this is a great way of recognising that you are never too young to start in living and telling the story of Jesus!

As a child I was always struck by the Old Testament story of the unnamed little slave girl who served Naaman's wife, (2 Kings chapter 5). Taken from her home to another country, and placed in an alien environment, she was the one who introduced Naaman to Elisha the prophet in Israel. As a result, Naaman overcame his scepticism, was healed from his leprosy, and discovered a faith in God.

Chaplaincy opens up a diversity of contexts in which we can share our faith and I invite you to pray for those here in Bath and Wells who are treading new ground to open up the way for others to discover the love of Jesus for themselves. However, each one of us has our own possibility of being a chaplain, coming alongside another in our daily life and community. Sometimes our timidity prevents us from speaking up about faith and our personal spiritual journey other than in church where we are known and on familiar territory. How about taking some time to reflect on where you might live and tell the story of Jesus outside of church, in your everyday context? Is there someone, like a Naaman's wife who is desperate to find help and hope for a loved one but doesn't know where to find it? Maybe you are the only one who could tell them!

With love and thankfulness for you all!

### Pensford Viaduct

Open 150 years in September 2023

Pensford viaduct is a striking viaduct spanning the River Chew as it flows towards and through Pensford. The viaduct is believed to have taken around 10 years to build and was completed to coincide with the opening of Pensford Station (which was located in what is now Station Approach) on 3rd September 1873. Although not impacted by the 'Beeching cuts' announced in 1963, the last scheduled passenger train was on 31st October 1959. After this, there were only goods trains which ceased in June 1964 and, thereafter, very occasional excursion trains. It officially closed after the 1968 flood due to the structure having been weakened.

In September 1975, there was a village fair in Pensford and, unbelievably, one of the highlights was an escapologist in a straightjacket escaping from a flying bomb hanging upside down from the viaduct! Although thankfully not a tragic ending, it seems the rope that suspended the bomb from the plane burned through at some point during the day!

In September 1984, the viaduct was Grade II listed and that same year, it was offered for sale for £1. Although it was offered up for sale with a maintenance grant of £70,000, the associated liabilities meant there were no takers. Ownership and responsibility of the viaduct has varied over the years. When British Rail was privatised in 1994, ownership of the operating railway infrastructure passed to Railtrack and, in 2002, to Network Rail.

During 2002 and 2003, maintenance work was carried out to improve the deck

and its associated drainage with work undertaken on piers, drains and arches. The downpipe hoppers bear the date of 2002.

In August 2015, emergency repairs were carried out where the poor condition of the viaduct had resulted in masonry falling from the eastern parapet onto a public footpath below. Work included the outside face of the parapet being rebuilt and / or repaired. An area of re-pointing on the parapet also took place to ensure its long-term stability and joints between some of the affected coping stones were raked out and re-pointed.

During 2022, an inspection was carried out and ecology surveys followed. In the time since the 2003 maintenance, water had been getting into open joints within the parapets and this water had subsequently frozen and then expanded resulting in the mortar popping off. Sadly, each time the cycle of freezing and thawing repeated itself, the problem worsened. So, from April through to September 2023, HRE has implemented a long-term fix. HRE's contractors have worked closely with local heritage officers and have used traditional lime-based mortar and a specially designed scaffolding rig which moves on tracks along the full length of the viaduct.

### Chelwood Flower Show

The Show was a great success and a surprise given the weird weather conditions experienced this year. A good display of vegetables, though fewer than usual but the flowers were spectacular, colourful and bright, as were the flower arrangements.

The talents in the village are astounding and never cease to amaze! Arrayed on the Crafts section everything from a three foot wide example of Felting made with the wool from the owners own rare breed sheep, a beautiful hand made card table, lovely cards, a knitted King Charles and three of his soldiers, a whittled Troll and impressive sewing. Cakes galore which brought good prices at the Evening Auction, along with a table laden with raffle prizes meant a profit of £732 for Village Hall funds

Many thanks to everyone who made this possible - the team who set up tables, those who made yummy refreshments for the afternoon teas, donors of raffle prizes and especially the Entries team. Plus, of course, our Auctioneer and all those who entered.

**CUP WINNERS:** Vegetables: Peter Sherborne; Flowers: Ann Sherborne; Flower Arranging: Jackie Young; Cookery: Mandy Stenner; Crafts; Ann Taylor; Photography: Jackie Langley; Children - 4 and under: James Danson; 5 - 7 years - William Booth; 8-11 years: Henry Groves; 12-15 years - Millie Dixon.

### Compton Dando Village Hall

We would be delighted to welcome more local residents to help with the hall management, in particular with specific tasks such as doing simple repairs, helping on the flood rota, supporting the Treasurer and Secretary with specific projects and becoming involved so as to ensure smooth long-term continuity as current members age or leave. We only have four meetings a year but work well all year round as a small team of about half a dozen members with an interest in active participation and community support.

Please contact the Secretary, Harriette Dottridge, to find out more if you would like to help. You can contact her on 490445 or email [hdottridge@hotmail.com](mailto:hdottridge@hotmail.com)  
Thank you everyone.

### The Annual Pensford Village Duck Race

Took place on Sunday 9th October at 2pm.

This was postponed out of respect for the mourning period for Queen Elizabeth. Hundreds of villagers and visitors met in the garden of the Rising Sun pub to watch and marvel at the sight of 500 ducks being poured off the weir bridge to paddle their way around the island to the finish line. The Gold winning duck was owned by Gemma C with Silver and Bronze going to local villagers Linda N and John P respectively.

Photo: Henry and Poppy with duck.

The event was organised as always by the Village Tennis Club who provided games and activities for adults and children. The Raffle, Lucky Dip, Ball in Bucket and Hoop La stalls were busy all afternoon. Henry the Duck (Guess my Weight) was seen moving amongst the crowds quacking at every opportunity, while Poppy's cuddly duck finally found a name at the end of the afternoon. Thanks go especially to Lisa and Team at the Rising Sun who provided coffee and bacon rolls in the garden and battled through an unexpected electricity power cut to provide Sunday lunch for customers including the Duck Race Team who had a delicious roast lunch after their busy day. Thanks go to The Waders: Tom, Clive, Simon, Dave, Mike and Steve and Alan starting the race with the airhorn and helper Brian. Activities Team

were Ann, Sue, Bev, Rae, Elaine, Kathleen, Sally, Alison and Jules. Special thanks must also go to Lisa's son Jack who was a tremendous help all afternoon, and happily won a big cuddly duck on the Raffle. He instantly named it Dr Quackers (what else?)

#### Programme of talks for Autumn 2023

We are pleased to announce that the PLHG has scheduled two very interesting talks for Autumn 2023. We trust these will be of interest to you and we really hope you will be able to join us. Both meetings will start at 7:30pm and will last roughly one hour and will be held at Pensford Memorial Hall, Publow Lane, Pensford, BS39 4HW. The cost will be £3.00 per person and refreshments will be included. There is no need to book.

- ◆ **Monday 2nd October** - *"Glimmers of Light"* - A journey back to the world of the Magic Lantern: Today, screens dominate our lives. Tiny pixels of coloured light build pictures of our world. We grew up with television and the cinema but, back before these major cultural influences, back before your parents' and grandparents' time, there was a form of screen entertainment that captivated, enthralled, and inspired audiences... "The Magic Lantern Show". Martin Elsbury will be coming to tell us all about this very interesting relic of bygone days.
- ◆ **Monday 6th November** - *Lord's Wood in Pensford* - We all have Lord's Wood practically on our doorstep but how many of us know the full story? Andrew Hillman will enlighten everyone about the flora and fauna, the management practices, the challenges faced and the many highlights the woods bring.
